She's BACK!

It's PICTURE pal and *Bachelor In Paradise* star Simone!

YOU'VE probably heard of the reality TV shows *The Bachelor*, *The Bachelorette* and *Bachelor In Paradise*. They're all pretty dopey, but every now and then they toss up a deadset stunna.

Why, just the other week *Bachelor In Paradise* CHUCKED UP our good mate Simone Ormesher, who posed nude for THE PICTURE even before she completely FAILED TO WIN the fifth series of *The Bachelor*.

Now she's back, and this time she's joined a bunch of NON-WINNING CHAMPIONS on a tropical island somewhere to see who can whine and bitch and weasel their way to a beaut PRIZE.

Our money's on Simone.

Not because she's particularly WHINIER or BITCHIER than the others, although that'd help, but having seen her VERY NAKED photos, we just reckon she's THE GOODS.

Have a look for yourself, readers. What do you reckon? **Picture**

UPER SIZED!

Leanne's traffic stoppers are bigger than Uluru

WE'VE all seen those horror movies where people get toxic nuclear gunk on them and turn into ENORMOUS MONSTERS.

Well, 29-year-old Leanne Crow tells us that NOTHING like that caused her MEGATONNE MAMS to grow because they were made by God – or, in fact, the SKY BOGEYMAN of your choice.

NEW TITS ON THE BLOCK

"THEY ARE COMPLETELY 100 PER CENT NATURAL"

"They are completely, 100 per cent natural," explained the many-times-blessed bosom courier. "And they have almost caused some serious accidents over the years."

Yeah? Do tell!

"One time I was doing a photo shoot in a tall building and there were some construction guys working very high off the ground. They saw my boobs and started waving. It all could have gone terribly wrong."

Be a good way to go, though. Off to Valhalla, and the last thing you see is a giant pair of sex-pillows. What's the best thing about having huge norgs?

"When women reach out to me and thank me for giving them confidence about being a busty, curvy woman. The worst thing is when nasty people say stuff online and judge me without knowing me."

Have you ever killed a person while motorboating them?

"Almost! I also once knocked over one of my friends when I hit her in the face with them."

Do you like it when blokes play with them?

"I think that most girls do."

Do you have names for them?

"Surprisingly, no. Do you have any suggestions?"

NEWS FLASH

THIS SHIT REALLY HAPPENED!

ON THE HISS!

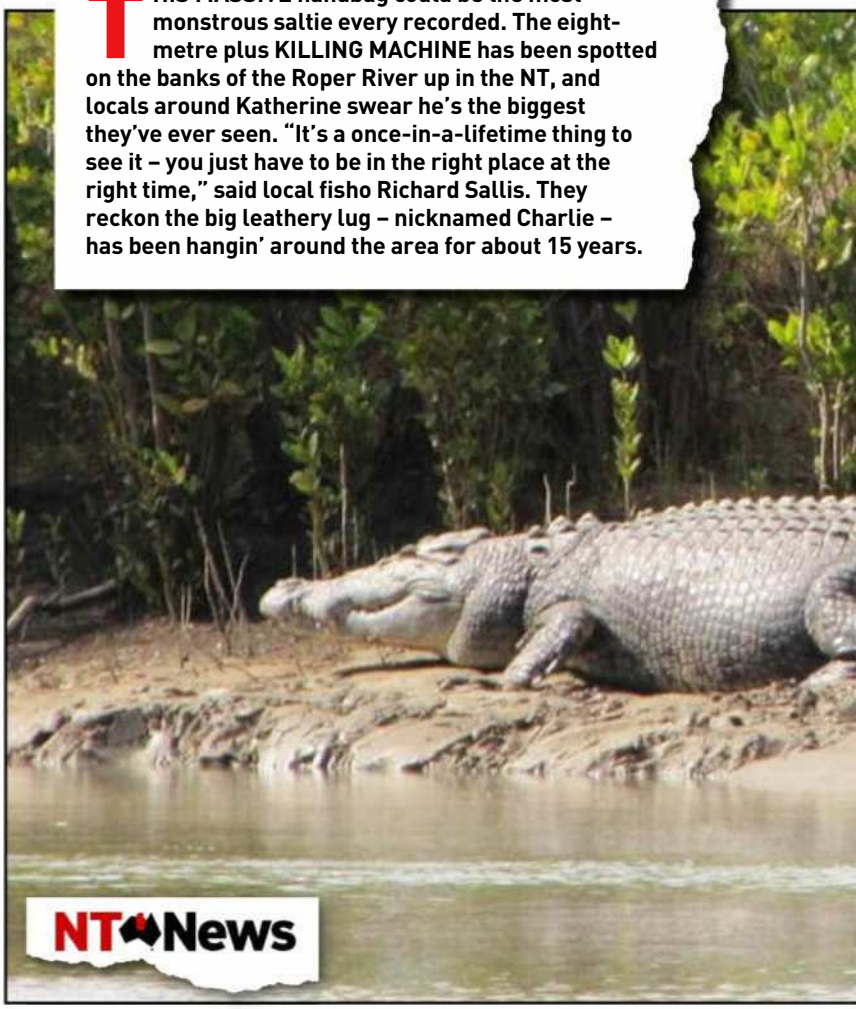
HERO Tassie snake handler Bruce Press has rescued ANOTHER deadly tiger snake with its head stuck in a VB can, despite LOSING A FINGER the last time he performed a similar CAN-ECTOMY on one. Bruce was called to where the alco serpent was trapped near Hobart, and, using only the STUBBY BIT of an index finger left to him after the last incident, SAVED this hissy bugger. Don't carry no grudges, eh Brucie.

SAVE THIS UTE!

FRENCH bastards have threatened to KILL a classic Aussie ute because they suspect it of DRUG-SMUGGLING. The HG Holden Kingswood was discovered in a barn in the friggin' NETHERLANDS, but when Australian Travis McKimmie tried to ship it back through France to his current home in the UK, all shit broke loose. The frog cops found 20 grams of wacky tobaccy in the spare tyre – which had probably been there for YEARS – and are threatening to CRUSH THE KINGY. Trav wants to restore the HG to its 1970 glory, but it's still being held to ransom by the French coppers.

YES, IT'S REAL!

THIS MASSIVE handbag could be the most monstrous saltie every recorded. The eight-metre plus KILLING MACHINE has been spotted on the banks of the Roper River up in the NT, and locals around Katherine swear he's the biggest they've ever seen. "It's a once-in-a-lifetime thing to see it – you just have to be in the right place at the right time," said local fisho Richard Sallis. They reckon the big leathery lug – nicknamed Charlie – has been hangin' around the area for about 15 years.



PIZZA DE ACTION

PORN star Christiana Cinn has made a complaint to a pizza company after one of their delivery blokes put the HARD WORD on her. Taking the corniest porno plot-line in history too seriously, the pizza boy texted Chrissy to offer her US$200 for a ROOT. "It was such an invasion of privacy.This guy had all my information, he could give it to anybody,"Chrissy said she complained and the pizza company offered her a free pizza and dessert by way of compensation.

WHAT A CROC!

BAD HARE DAY

POMMY joker Jack Devaney has turned his talent for hacking up critters to good use and made a TOASTER out of a RABBIT. Jack, a former butcher and now a student at Plymouth University and part-time taxidermist, made the BREAD-BURNING BUNNY as a tribute to little baby Jesus at Easter. "I'd worked part-time as a butcher for nine years so I've been sort of desensitized to the process," said Jack, covered in gore. Word is the messiah was FUCKEN IMPRESSED and has ordered a couple for his holiday house in heaven.

WATCH THAT ELBOW!

AFTER all the controversy about whether she was a chick or a bloke, it was Kiwi weightlifter Laurel Hubbard's ELBOW that fucked up her crack at the Commonwealth Games. Having had a career as a male lifter, Laurel CHANGED TEAMS to compete in the women's 90kg-plus category at the games, but withdrew when her elbow WENT THE RAT. Now she's retiring from the sport completely.

RANDOM BREAST TEST

Can you tell which funbags are fake?

DILLION HARPER

They may only be single-Ds, but cutie-pie Seppo porn star Dillion's DUMBLEDORE's seem incredibly firm and perky for their size. Maybe TOO firm and perky. Hard to say...
So... real or fake?

LENA PAUL

Sure, Lena's F-cup chesticles look real to us – but what would WE know? And this Florida-born mattress actress also sports a nice hairy bush a lot of the time, but is that fair dinkum, or a wig?
So... real or fake?

SOPHIE READE

This 28-year-old Pom posed for Playboy when she was just 18. Her G-cup knockers SEEMED pretty big back then, but were they always THIS big? Who can remember back that far?
So... real or fake?

Girl Management, Adam Turner, Pinup Files, Hard X, Digital Playground

TESSA FOWLER

Only 155cm tall, just 26 years old, but with those big, floppy F-cuppers? And is this Seppo model even a real redhead. We just don't know WHAT to believe anymore. Your call, readers.
So... real or fake?

BIBI JONES

Bibi's bad boys are officially only D-cups, which is TINY in the porn world she has worked in since 2010. But, as her name suggests, did they start out even SMALLER?
So... real or fake?

JOEY FISHER

The Welsh model's double-Gs seem bigger than her slim bod could carry. Bloody ENORMOUS, in fact. But then again, the way they hang just right, and swing so nicely... it's a toughie!
So... real or fake?

CARA BRETT

After 12 years in the nudey modelling biz, Pommy Cara likes to keep people guessing. Is she really blonde? Can she really lick her own elbows? And are those FFs all her own work? So... real or fake?

KEISHA GREY

A five-year porn veteran at only 23, Keisha has done it all – loads of splooge on her face, fisting, had one up the clacker and smoo at the same time. But has she had her DD tits seen to? So... real or fake?

AVA ADDAMS

At 36, Texan porn star Ava has had more hot cocks than you've had hot dinners. And her F-cuppers have a nice, natural HANG to them, just what you'd expect of a hot cougar like her. So... real or fake?

SAMANTHA SAINT

Could it be this 30-year-old American porn legend is still sporting all-organic tits after seven years of having them mauled and slobbered over for a living? We'd love to think so!
So... real or fake?

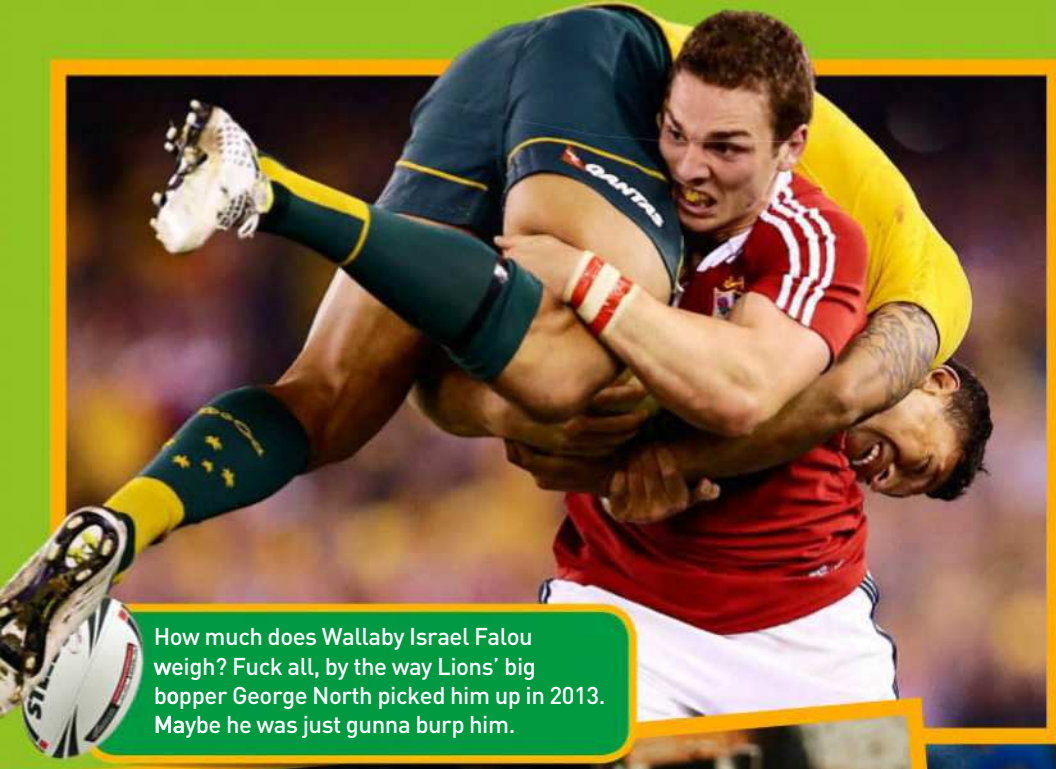
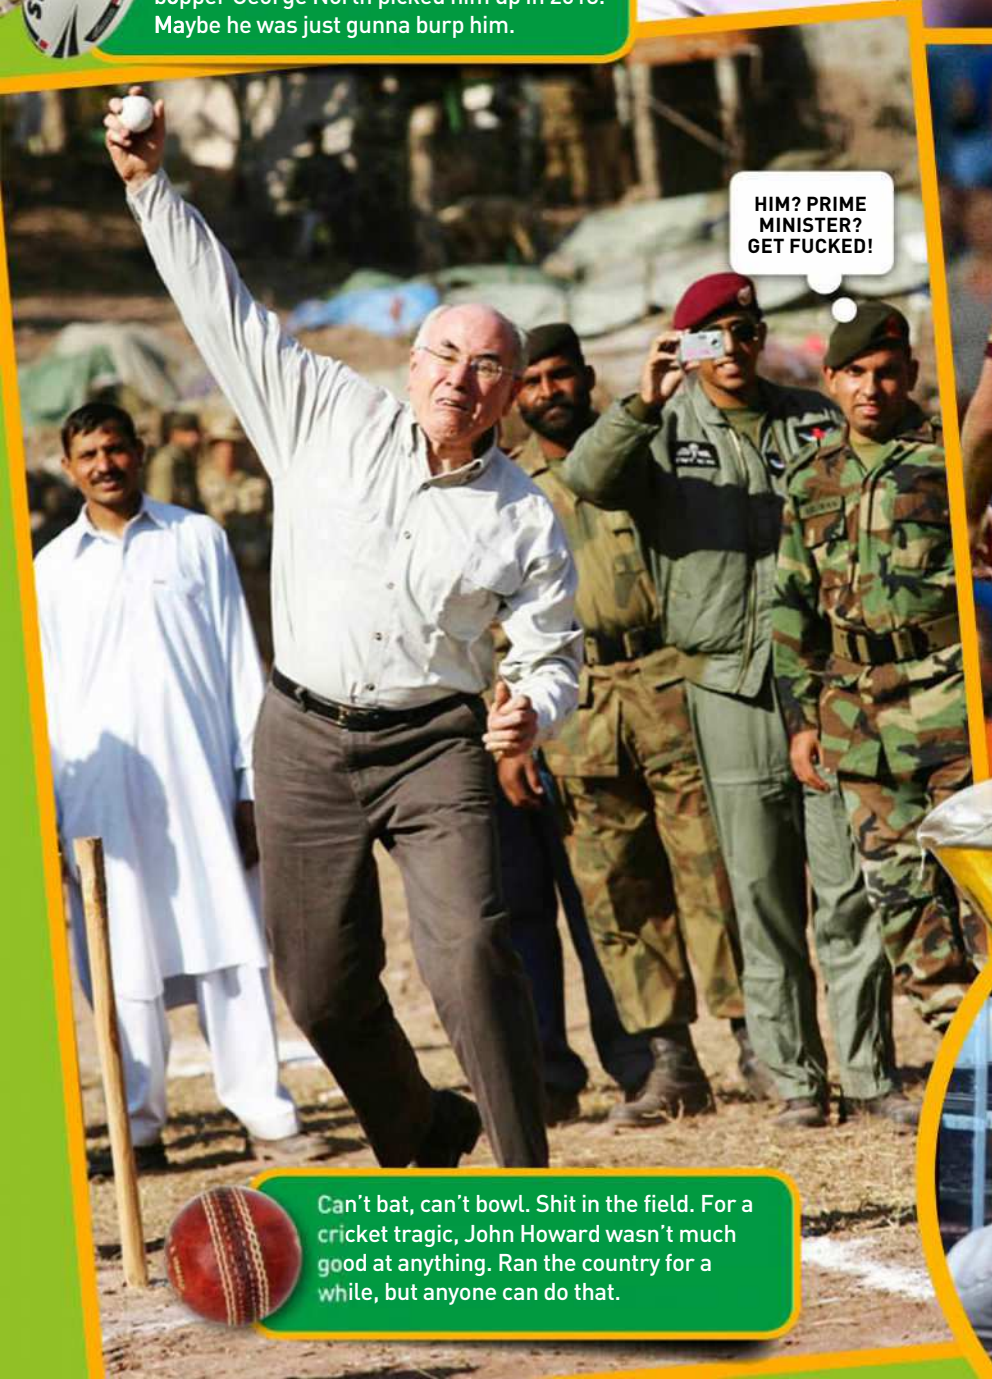
13 of the funniest moments in sport



How much does Wallaby Israel Falou weigh? Fuck all, by the way Lions' big bopper George North picked him up in 2013. Maybe he was just gunna burp him.



Can't bat, can't bowl. Shit in the field. For a cricket tragic, John Howard wasn't much good at anything. Ran the country for a while, but anyone can do that.

Is chugging beer a sport? It is if it's Hawkie. Nothing says summer like the former PM's annual test match down-the-hatch.

TAKES
LLS!

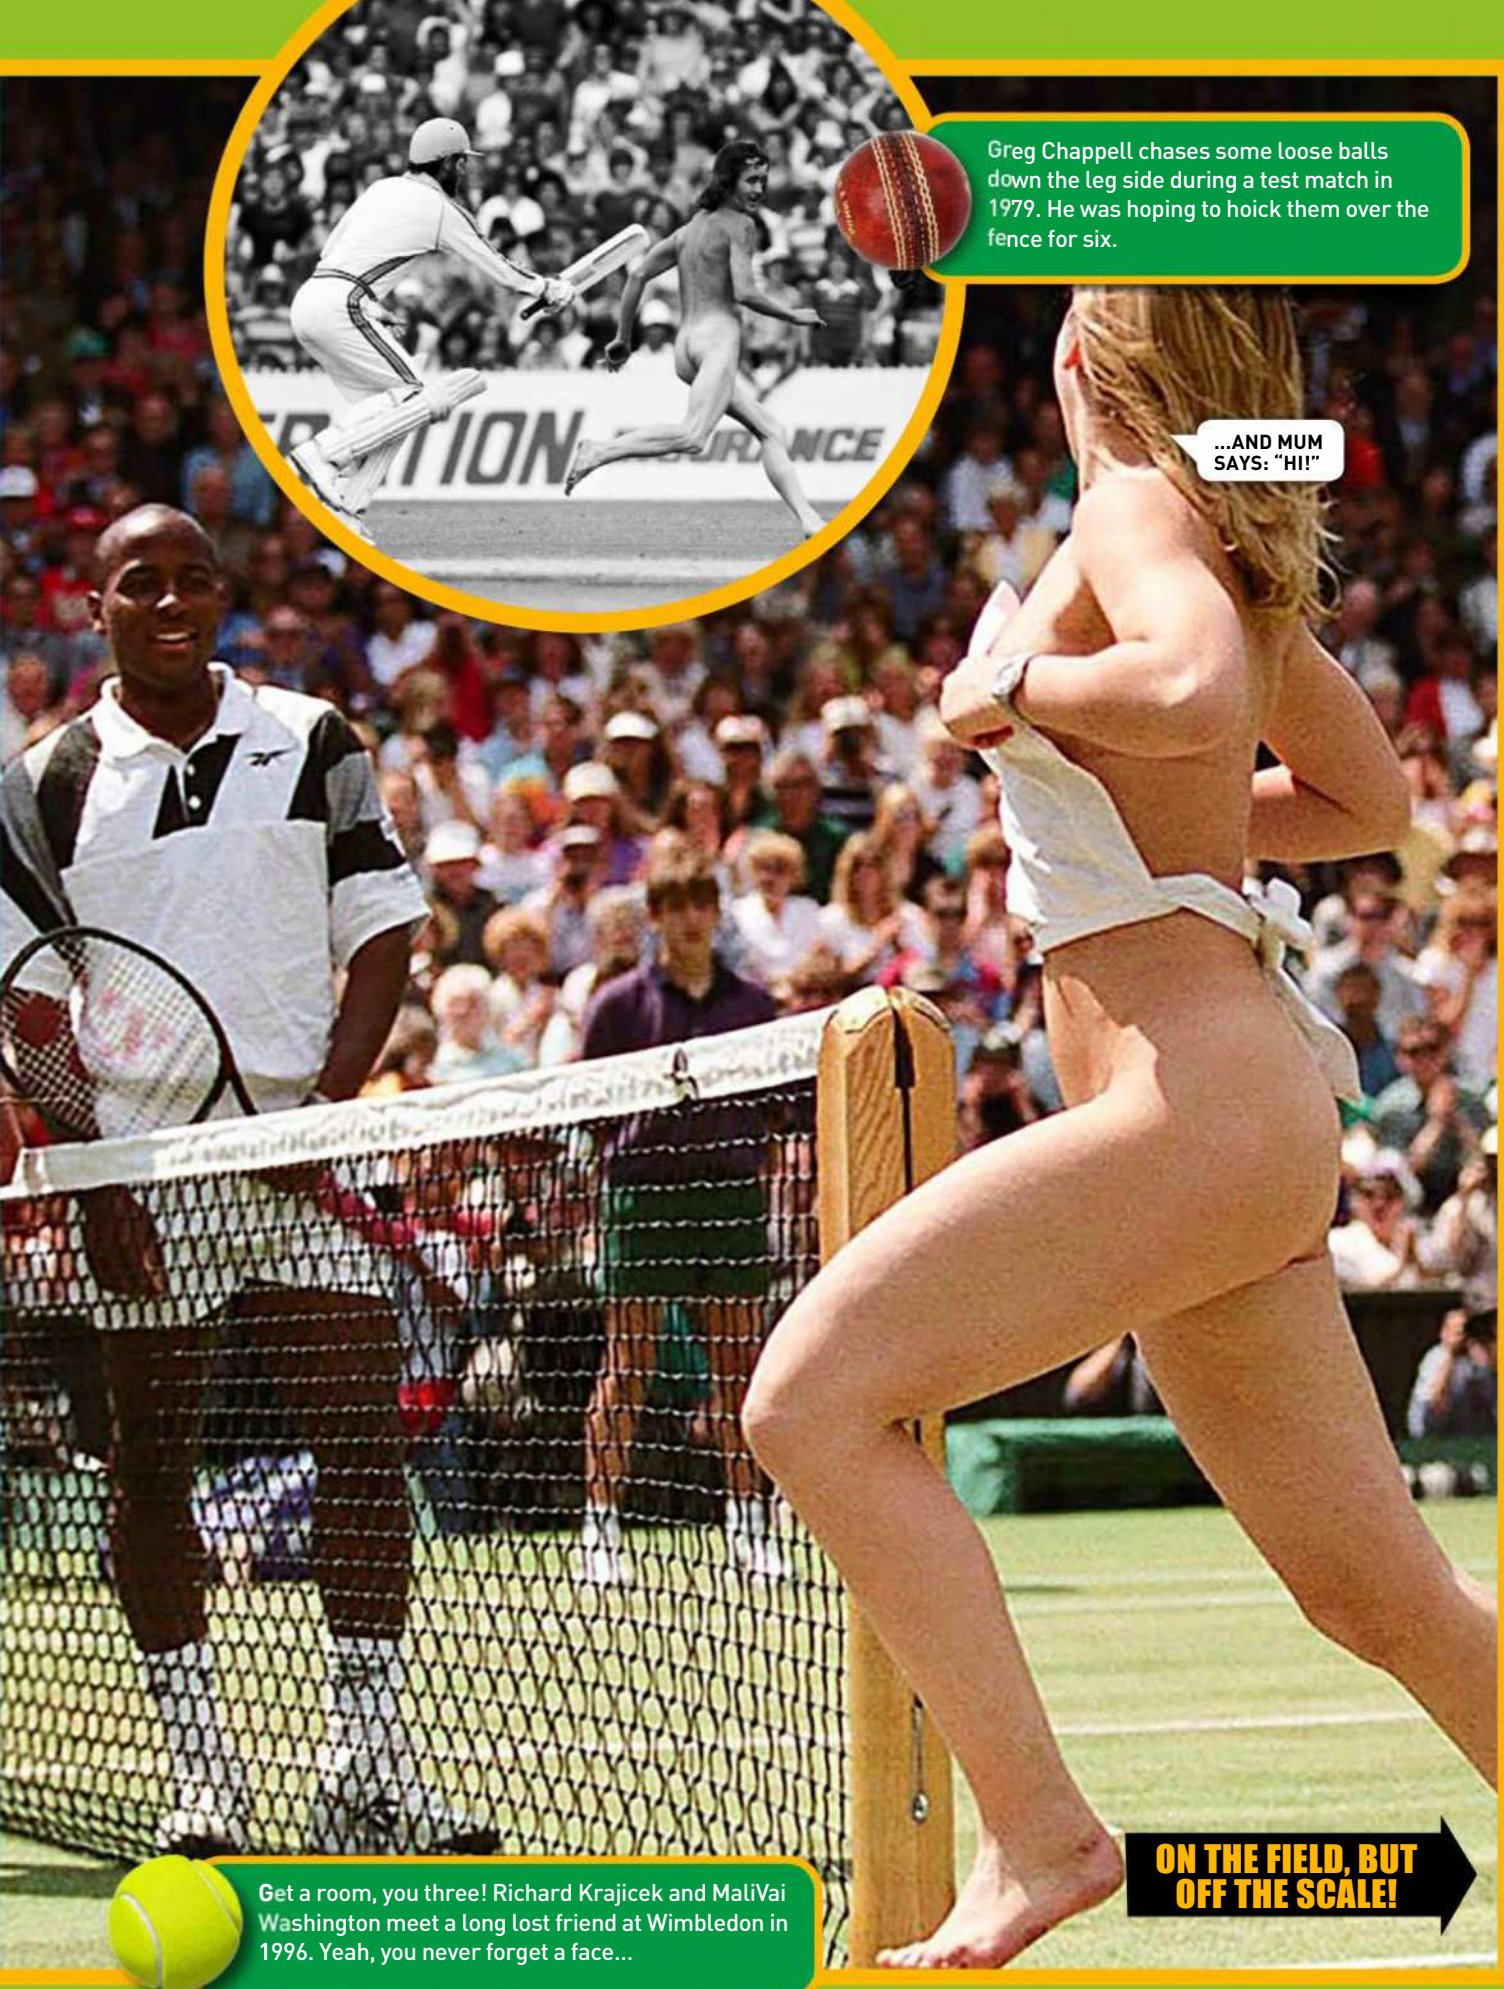
Sumo surfer James "Jimbo" Pelegrine, aka "the Bali Belly", weighs in at 175kg, so when he tells you: "This wave ain't big enough for the both of us," he has a point.

This fat, nude bloke ran for 80 metres during the third State of Origin game in 2013. No one wanted to tackle him. Can you blame them?

MORE ATHLETIC ARSERY, THIS WAY!

Steven Bradbury won the 2002 winter Olympics men's short track speed gold medal after everyone else in the final fell over. They shouldn't have been drinking, eh.

IT TAKES BALLS!



Greg Chappell chases some loose balls down the leg side during a test match in 1979. He was hoping to hoick them over the fence for six.

Get a room, you three! Richard Krajicek and MaliVai Washington meet a long lost friend at Wimbledon in 1996. Yeah, you never forget a face...

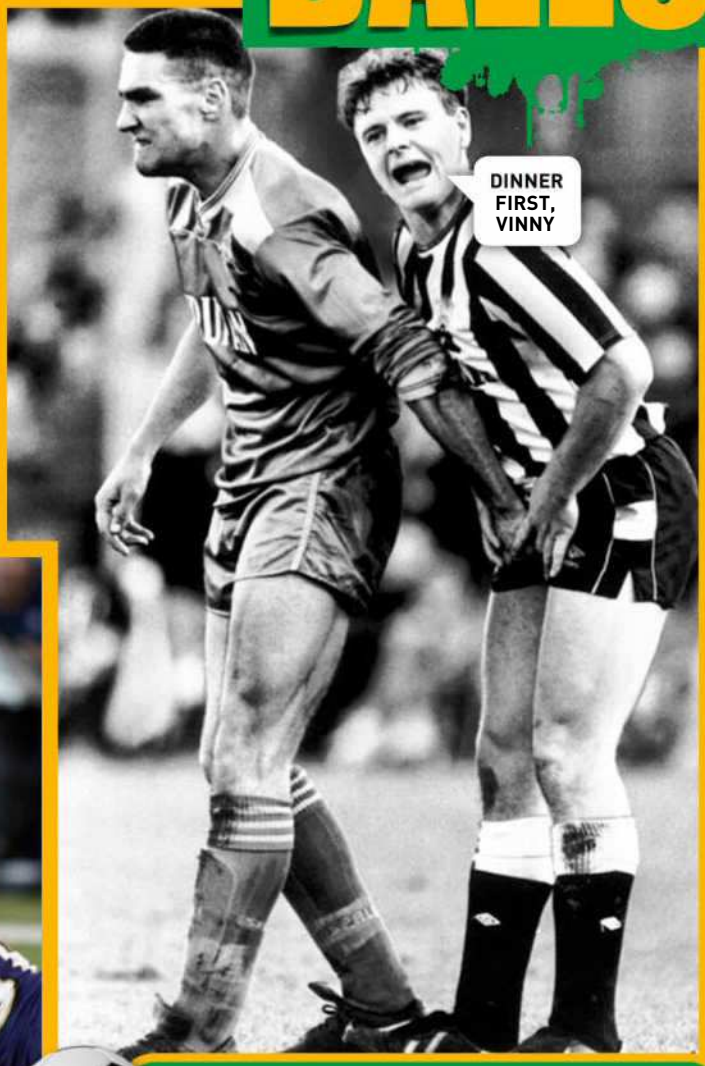
ON THE FIELD, BUT OFF THE SCALE!

IT TAKES BALLS!

Come on, they're just checking to see if her hammy is alright! Tricky things, hammies. Maria Sharapova's look fine, but. Damn fine, actually.

When the real Plugger couldn't make it for Swans v St Kilda at the SCG in 1993, his porky little mate filled in. He played a blinder and got pig-the-match.

The Philadelphia Eagles' Brian Westbrook's nuts must've been in the back of his throat after this wedgie by the Baltimore Ravens' Antwan Barnes.

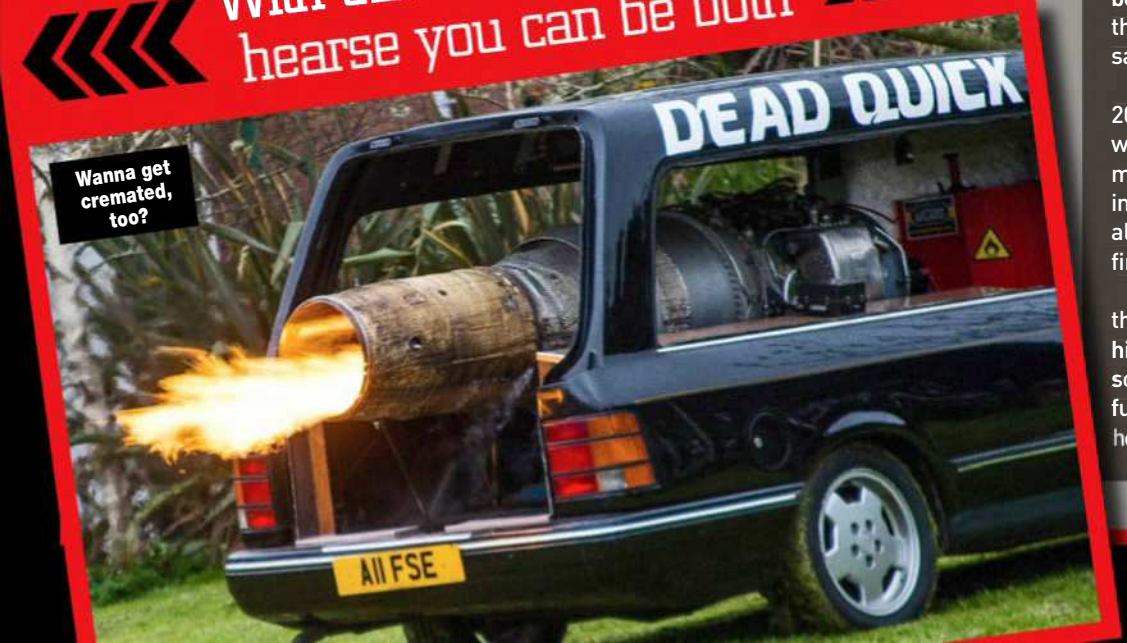


Lock, cock and two aching balls. Pom hard man Vinny Jones puts the hard word on Gazza Gascoigne, Wimbledon versus Newcastle, 1998.

PEOPLE ARE DYING FOR A RIDE

THE QUICK AND THE DEAD

With this rocket-powered hearse you can be both



Wanna get cremated, too?

IN A hurry to get to the cemetery before they run out of HOLES? Then this is the car for you.

Genius Pommy (now there's a phrase we never thought we'd use!) Matt McKeown has shoved a jet engine from an RAF fighter into a 1992 Ford Cardinal hearse for the fastest ride to the boneyard ever.

He calls it Dead Quick and reckons it'll top 320kph. And he's DEADLY serious.

"A hearse makes a perfect shape for a land speed vehicle because it's aerodynamic, long, thin, with a wedge back end," said Matt.

"Dead Quick's good for 200mph (322kph) but this is a work in progress. We've got a more powerful engine we can put in, but we're going to re-engineer all the suspension and brakes first, then go for more power."

Matt already has an entry in the Guinness Book of Records for his jet-powered shopping trolley, so he's got you covered – funerals, getting the groceries, he's your man. Picture

YOU'RE JOKING

100% POLITICALLY INCORRECT!

I DON'T like the term anal bleaching. I prefer changing your ring tone.

JAZZ, LOWER DYRAABA, NSW

WITH summer getting sunnier a woman says to her husband, "What do you think – should I sunbath nude in the backyard?"

The husband just shrugs and says, "Do as you like."

"What do you think the neighbours will say if they see me sunbathing like that?" asks the woman.

The husband replies, "They'll probably think I married you for the money."

RYAN, GELLIBRAND LOWER, VIC

A MAN is caught fishing illegally for lobsters. He has two in his boat when the police approach him. The man claims he's not poaching them and they are his pet lobsters, he's just taking them for a swim.

"I let them play in the water for a few minutes," he claims. "And when I whistle they come back to me."

So the police let him place the lobsters in the water and command the man to call them back.

The man looks at them, confused, "Call who back?"

G.B., ORANGE, NSW

A FACTORY owner is trying to come up with innovative ideas to save money and therefore save his business from going under. The owner calls a meeting with all of his 200 employees out on the plant floor.

"Ok everyone, we are in deep trouble," he exclaims. "I will give $2000 to the first person that comes to me with a cost saving idea."

Immediately a guy in the front row shoots up his hand.

"Yes, Barry," says the owner. "That was fast, what's your cost saving plan?"

Barry says, "Make it $1000."

POPE, DAPTO, NSW

JOKE OF THE WEEK WINS $100

A HUNTER shoots a deer and is pulling it back to his truck when a farmer passes by and says, "Hey you shot that deer on my property. That makes that deer mine."

"No way," the hunter says. "I tracked it, I shot it, it's mine."

"OK, OK, we'll settle this the old way," replies the farmer.

"The old way?" asks the hunter, confused.

"Yes. We'll take turns kicking each other in the nuts and the first guy who can't take it anymore loses and the winner gets the deer."

The hunter thinks about this says, "Ok, let's do it."

The farmer says, "Alright, I'll go first."

He takes a big wind up and nails the hunter right in the nuts with his big dirty farmer boots. The hunter doubles over in pain, huffing and puffing for a few minutes.

He finally gets up, still panting and says, "OK... I'm still in... my turn."

The farmer says, "Nah, you can keep the deer."

MATTY, KAMAROOKA, VIC

Q. WHAT DID SPARTACUS SAY TO THE CANNIBAL WHO KILLED HIS WIFE?

ON MONDAY I said to my boss, "I have a dentist's appointment this afternoon. Can I leave at 2.30 and make up the time later in the week?"

"No problem," he said.

On Friday he pulled me up and said, "What's this? You've put on your timesheet that you finished at 5 o'clock on Monday. Explain yourself."

I replied, "I know, I told you I'd make the time up."

FUZZ, SUBIACO PO, WA

Q. WHAT DO NEAR-SIGHTED GYNAECOLOGISTS AND DOGS HAVE IN COMMON?

A. WET NOSES.

I.W., LORNE, VIC

A GROUP of Aussie blokes won an all expenses trip to watch the Ashes at Lords.

During the lunch session on their way out of the dunny, they passed an old Toff.

As he walked by, he muttered to them in a posh Pommy accent, "At Eton, we were taught to wash our hands after using the gentlemen's."

One of the Aussie's immediately turned to him and said, "Mate, at the Shepparton Tech, they taught us not to piss on our hands."

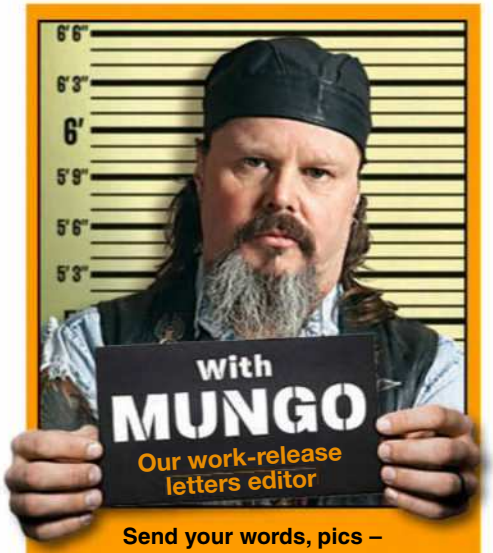
READERS' WORLD

GO AHEAD, HAVE A MOAN!



Send your words, pics – **WHATEVER – to Mungo at Readers' World c/o THE PICTURE, PO Box 4088, Sydney, NSW 2000, or email the big fella at mungo@bauer-media.com.au**

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMungo

TIME OF THE DON

MUNGO, how do you think Donald Trump is going so far? Not that I care so much, 'cos I live here and he lives over there, but we're all supposed to give a shit, so here the fuck I am.

MEL, CURL CURL, NSW

MUNGO SAYS: Well, I'm not hiding in the shed with a case of baked beans and an air rifle, so on the whole, he could've done a lot worse. The zombie attacks have dropped off, and radiation levels are way down, so go the Donald. I'd just like to say I'd fuck his missus given half a chance. Just throwing that out there.

GUEST APPEARANCE

G'DAY Mungo, you would've seen many great pairs of norks come and go, but what in your opinion was the greatest set you've ever seen?

R.P., TORONTO, NSW

MUNGO SAYS: I've said it before and I'll say it again, the greatest pair of tits I've ever seem are Jo Guest's. Not big, not flashy, but perfectly formed and with nipples pointing irresolutely skywards, they were the kind of tits you'd like to see across the breakfast table in the morning. Put a smile on anyone's face.

MUNGO'S SHOUT

I'D NEVER been so insulted. Cunt behind the bar told me I was too pissed, and couldn't serve me.

Of course I'm too pissed, I said. That's exactly when I want more beer. Fucken logic.

If I HADN'T wanted more beer, and he'd raised an eyebrow and asked "What's wrong with you?" you'd say, "fair question."

But having already had a squillion, the only obvious path is to have a squillion more, so you front to the bar to get another jug and some two-bit booze-sheriff decides just because you got your trousers on backwards and you appear to be only able to speak Swahili, you can't have any more beer.

No point asking him to unleash the rum bottle, either. Even though the change might do me good.

And it was a big 'no' on house wine, Fluffy Ducks, The Stuff They Keep Under the Bar and all that Japanese champagne they couldn't sell last New Year's Eve.

Bloke wouldn't pour me the time of day. Oh yeah, he offered to pour me a glass of water from the jug on the bar. That just made me angrier.

But you can't argue with some people. Well, you can, but they just call the cops and you get barred for life. As it is, I'm OK for the weekend.

CHUCK'S SHOUT!

MUNGO, I just wanted to say how much I've enjoyed the Commonwealth Games. I love the way Australia creamed every other nation in every sport, won all the medals, and told everyone to get fucked, we're the best. As long as you're in the Commonwealth, we've got you beat. God save the queen!

D.R., GERRINGONG, NSW

MUNGO SAYS: Fucken oath. Bless the old tart and all who sail in her. Thanks to her, we beat Scotland at swimming. And the Scots don't even swim! They just bob around in the waves until they die of skin cancer. But you'd think that since it's called the Commonwealth that Chuck would've coughed up for a few rounds while he was here. It's not like he's skint. Prick.

ANGIE BABY!

MUNGO, I've been following the career of Angela White, Oz's mostly successful porn star, with interest ever since she went to the States. I know THE PICTURE has been a big supporter of Angela throughout her career, so isn't it about time you had a big picture spread of this outstanding Aussie spunk.

MICK, PROSERPINE, QLD

MUNGO SAYS: Can't beat Ange. Took on the world. Sucked its dick and kept going. We'll have room for Ange in the mag as long as she still loves us, so yeah, that's always on the cards. Stand by.

MUNGO WANTS TO KNOW...

Holiday pics? Reading PICTURE mag in foreign places? I'll pay ya REAL DOSH for your snaps.

WHAT: Leg busted by a very expensive racing car

WHERE: Bahrain

OUCH FACTOR 78%

FORMULA 1 cars cost a fucken fortune, so the Ferrari team must've breathed a sigh of relief when this little accident in the pits at the Bahrain Grand Prix resulted in NO DAMAGE to the car, and just a piddling BROKEN LEG for the pit crew member who failed to get out of its way.

Obviously, they'll make him pay for a respray if he got any blood on the car.

He only sustained a couple of fractures, so GET UP YOU SOOK and change a tyre. ■ Picture

HER FIRST TIME!
Sydney's Blondie pops her modelling cherry
MORE OF THE DIRTY DEBUT

"I'M A BOOBS GIRL!"

TURNING 18 opened a new set of doors for Blondie – she could now legally buy a glass of hooch at the pub, start getting her gear off at strip clubs and, most importantly, she could pose for THE PICTURE.

So we're happier than a dog with TWO DICKS to reveal the FIRST EVER shoot of the 18-year-old Sydneysider. And it turns out, beautly, she's a fan of ours, too.

"I think I have a bigger Picture mag stash than the average guy," she admits.

Awesome – we just got an even BIGGER hard-on! How'd you feel about your first ever STARKERS magazine shoot?

"It was so much fun! I've always wanted to be in a girlie magazine."

Did any lucky passer-by see you strip off at the beach?

"Yes, a couple of tradies came along with their dog and sat down to lunch. They didn't seem too bothered so neither was I. We all had a little giggle and got on with it – if you're reading, then, hey guys!"

Ever gone a step further and done the HORIZONTAL TANGO at the beach?

"Hell yeah! I grew up a coastie, so the beach was always the make-out spot in high school. I'm a passionate girl so if the mood strikes a lack of walls and bedposts aren't going to stop me!"

We can see that from your Instagram – you're nude all the bloody time!

"I've always been a bit of a nudist. My neighbours actually built a two-metre fence because

they were sick of seeing me!"

Is your neighbour CORY BERNARDI? Where's the craziest place you've ever dropped your duds?

"The Maccas drive-through! A spider dropped onto me and I freaked the fuck out! I was out of the car and my dress so fast that the people in the line behind me thought I'd gone berserk!"

Definitely not the burger they were expecting! Got a fave body part?

"I'm a boobs girl! My boobs, other girls' boobs, man boobs – boobs are just the best!"

You're preaching to the choir, mate. What have you got planned for the future?

"My 2018 dream journal is overflowing. I have uni goals and showgirl goals. I'm a full-time student and sometimes it's hard to juggle study, travel and training, but I love it. I've got a lot planned for the next year so stay tuned!"

Don't worry Blondie, our aerial is FULLY ERECT. ■ Picture

FAST & FURIOUS

Charlie wouldn't root a bloke any other way

TWENTY-year-old Charlie is into something called "foreplay" when she is on the job.

"Lots of blokes just try and get straight into it and they need to get better at it," she told a PICTURE journo while he typed one-handed.

We just looked it up in the dictionary and we STILL don't know what it means. What else do you like in bed?

"I like lots of sex. I find that many guys can't keep up with me."

Are you into loving relationships or meaningless, one-night fuck fests?

"At the moment I'm into one-nighters, but that doesn't mean I won't meet the right guy."

When was the last great sex session you had?

"A few weeks ago in the back of a car. It wasn't planned or anything. It just kind of happened and it was amazing. I'm just glad we didn't get arrested or anything."

What's next for your smoo?

"I'd love to have a threesome at some stage. I've just not met the right people for it."

Do you ever get nude in public?

"Does the beach count. I often go topless in the summer. This year I did it quite a bit and even forgot that I didn't have my bikini on. It was only all the staring from surfers that reminded me."

It was probably the BEST SET they'd seen all day. Picture

MY SPONTANEOUS FUCK

READER'S ROOTS FROM AROUND OZ

SUPERHERO SANDWICH

MY MISSUS Beth and me are mad rooters. Anywhere, anytime, we're known for it among our friends.

The thing is, we'll have a couple of drinks at a party, get all fiddly with each other and the next thing we're into it in a spare room or someone's guest brasco.

You'd think we'd grow out of it, but she's as horny as ever and is still always grabbing my cock while we're out somewhere, and I'm not going to say no, am I?

It's never actually pre-planned, but I suppose after all this time we know we're gunna get into at some stage, we just never know when.

People say we're show offs, but really, we just get the hots for each other so bad and it's not like it hurts anybody else.

I reckon a lot of the time they get a laugh out of it, especially when we're really mad.

This one time we went to a fancy dress party as Wonder Woman and Batman, and that was asking for trouble. For a start, Beth looked so horny in her outfit that I was trying to jump her bones even before we left home.

And it didn't help that my Batman tights really showed off the boner I'd cracked over her. I felt pretty ridiculous waving my half mongrel around the party, so I steered Beth into the backyard.

I figured if we knocked one out early I could be good until we got home, so I wasted no time in sticking a couple of fingers up inside her cossie and getting right up on her G-spot, where she likes it.

Beth was a bit surprised to be fucked so early in the evening, but she was up for it just the same.

She was wet as fuck. She turned around, dropped her Wonder Woman panties and copped my big Bat Prick from behind moaning and groaning as our friends looked out from inside the house and said: "It's just Dave and Beth at it again!"

D.M., BEXLEY, NSW

DOER-UPPER

WE WERE a couple in our twenties and supposed to be renovating our new shithole, but we knew fuck-all about it.

We bought some paint and rollers and some plastic drop sheets and thought we'd start with that, but we got no further than moving the furniture and putting down the drop sheets before we decided to have a beer-and-bong break.

We sat there with all the gear all around us getting wasted, then we got the munchies and decided we'd have a pig-out before we started.

So Jade comes back from the fridge with a giant tub of ice-cream and we start hoeing in. She's looking so hot in her little cut-offs and old t-shirt all ready for painting that I can't resist grabbing a handful of ice-scream and smearing it up the inside of her thigh.

Her response is to clamp her thighs around my hand and squeeze, pushing it further up into her moot, which is rapidly becoming a sticky mess due to the combination of the ice-cream and her juices.

I know Jade pretty well, and when she gets like that there's no turning back, so the next thing she's swung around on the drop sheet, whipped off her cut-offs and is beckoning me into her hairy, juicy, ice-creamy snatch.

It was hard to get traction on the plastic at first, but once I got my knees well-planted I started to plough her balls-deep, and Jade was lifting her arse up to meet me on every stroke.

It was getting too good, so I rolled her over to have a go at her doggy, and as I did I realised I'd rolled her right through the ice-cream.

So not only could I fuck her and watch my dick disappearing into her messy smoo, I could lick pistachio and salted caramel off her back at the same time.

No panting got done, but we discovered a great new way to fuck.

HAPPY SEXMAS

YOU know how it is at Christmas – you're supposed to run around visiting's rels when all you really want to do is kick back at home and chill.

Me and my boyfriend were doing the rounds one year, just after he'd just been away for two weeks and we'd hardly had the chance to get stuck into each other.

So off we set Christmas morning, when all we could think about was being back in bed molesting each other. We did the morning present thing with his olds, then transferred to mine for lunch. Half way through the ham and prawns we were just wanting to rip off a quick 69er on the table.

We didn't, obviously, but it was getting to that stage. Then, as we were about to pile in dad's car to go to my nan's I made an executive decision and told everyone we'd be taking our car and we'd see them there.

We shot off, I took a few twists and turns, and we ended up on the edge of a park where I used to take boyfriends way back when.

I reached over to the seat release on the passenger side and sent my fella flying backwards. Then I leapt on him, straddling him and grinding my hungry pussy up and down his throbbing hard-on.

I wrestled it out of his pants, and told him to slide my shorts and panties off so I could get it inside me.

I wriggled down on it, and bucked my hips back and forward with my arms braced against the car roof.

I was screaming filthy shit by now, really going ape-shit with the joy of having a hard cock up me again, when I looked out the car window and saw a couple of kids on their new bikes, watching us.

Sorry kids, I thought, but mumma needs her Christmas fuck.

"It was too hot to be wearing clothes"

JASMINE // 25

GAILES, QLD

"I love being a nude model and I'm proud of my body and scars," says 25-year-old Jasmine. "When I'm not shooting, though, my partner is the only one I get naked for." ***Where does this nakedness happen?*** "I spend a lot of time in the bush, camping and riding horses, and most of the time it was too hot to be wearing clothes." ***Thankyou global warming! Ever ridden a horse naked?*** "I've ridden a horse naked many times. I love nature, animals and feeling close to Mother Earth, and being naked at times definitely helps you feel closer to nature and animals." ***Tell that to the ranger down our local park.***

DO YOU PREFER A GUY IN A SUIT OR A TRADIE IN WORK GEAR?

"To be honest, a guy in a suit and a tradie in work gear are just as hot as each other. I prefer them both over almost anything else."

"The cops drove past and we didn't get caught"

SALLY // 25

GOLD COAST, QLD

Round-arsed Sally, 25, lets us in with some of the best places she and her perfect rear have done the deed. "The beach; we were a little drunk, the waves were crashing, the moon was almost full. We laid down his jacket; it was perfect and we didn't get caught." ***You say that like it's a good thing.*** "And once in the backseat of my car, parked beside the beach. It was steamy and exciting and the cops drove past and we still didn't get caught." ***OK, we admit that not giving the boys in blue a show was probably a good idea.***

DO YOU PREFER A GUY IN A SUIT OR A TRADIE IN WORK GEAR? "Whatever my guy is comfortable wearing, I'm happy with. But you definitely can't beat a man in a suit. Unless he over kills it, I like it to be a special event, something different from the norm."

Wow. Can I get you to send me an autographed photo of you naked? And are you single? Maybe we could hook up.
ERIC, BELLA VISTA NSW

KRIS SAYS: ***"Hi Eric, yes, I am single. And I am going to send you an autographed picture, with my panties attached to it, so keep an eye on your mail."***

ISSUE 1450

I'm curious about MMF threesomes. Have guys who've shared you said they're worried about their dicks being too close?
DOUG, ATHERTON QLD

SHARNA SAYS: ***"Hi Doug. No, I have never had anyone say or act like they are worried about that. And it has never seemed that way to me."***

"He'd shoved the gear stick in my pussy"

SABRINA // 28

CANADA BAY, NSW

We asked 28-year-old Sabrina what the best thing is about hanging around the house naked. "It's free and relaxed. And if my partner came home he can fuck me straight away." ***Sounds very efficient. Ever used a normal household object as a sex toy?*** "No, but I've used a car gear stick. I was with my partner at the time and his gear stick came off. We were fooling around in the car and next thing I knew he'd shoved the gear stick in my pussy like a dildo. Felt amazing and, for an 18-year-old, kinky as fuck." ***We hope he knew how to drive stick!***

DO YOU PREFER A GUY IN A SUIT OR A TRADIE IN WORK GEAR?

"Definitely a suit! So sexy. It gives the impression of looks and brains, and a something-that-I-can't-have sort of thing."

"I like girls joining in, too"

VANESSA // 22

STANMORE, NSW

"My most recent group sex encounter was with my ex and his mate at his mate's house," says 22-year-old masseuse Vanessa. "My ex and I had a few drinks. We invited his mate over while I was on my ex's lap and I unzipped his pants." ***Sounds promising...*** "Next minute I am screwing my ex and I had his mate in my mouth." ***Did you get to get DPed?*** "Nearly, until we got busted by his mate's dad and I left." ***Oh dear. What did his dad have to say?*** "I couldn't even look at him; I got up and ran." ***Do you just like group sex with multiple guys or do you like girls to join in too?*** "Yeah, I like girls joining in, too. Or me joining in with them." ***Both options sound good to us.***

DO YOU PREFER A GUY IN A SUIT OR A TRADIE IN WORK GEAR? "A tradie in work clothes."

"I like being in control"

KIESHA // 50

SPRING HILL, QLD

"I like to dress in full leathers and whips, boots and mask and tie people up and go to town firm and hard," says 50-year-old cleaner Kiesha. ***What do you like about being so dominant in bed?*** "I like the feeling of being in control and instructing my man with what I want and showing him who's boss." ***Just with men?*** "No, with both sexes. The girls seem to like the more gentle touch whereas the guys seem to like the rougher touch and me being forced to tie them up firmer." ***What's the most intense punishment you've ever dished out to someone?*** "Teasing them to the point where they can't take anymore." ***We're guessing you weren't just telling them that their mother wears army boots.***

DO YOU PREFER A GUY IN A SUIT OR A TRADIE IN WORK GEAR? "A tradie in work wear, for sure."

"I think my 30s are dirty because I'm so much more comfortable both being naked and knowing what I want sexually." ***What sexual milestones and firsts have you racked up in your 30s so far?*** "Sex in an elevator and sex with just a girl." ***Nice start. Can you explain how these beaut events unfolded?*** "The sex in an elevator was unexpected and unplanned. My partner sprung it on me as I'd said to him we needed more spice. The girl-on-girl was just some fun when I went away on a girls' weekend. I've had experiences with girls but never one on one, always a male present." ***Here's hoping we don't lose you to the COMFY SHOE BRIGADE.*** **DO YOU PREFER A GUY IN A SUIT OR A TRADIE IN WORK GEAR?** "A tradie in work gear who can suit it up on weekends."

FLASHBACK

DECEMBER 2010

KAYLA LOUISE // 27

DARWIN, NT

Air travel is a pain in the kazoo. But while you suffer in economy, wedged between two sweating fatties, brown-skinned spunk Kayla Louise gets the most from her ticket by slipping into the brasco, where her boyfriend proceeds to SLIP HER SOMETHING ELSE. ***Tell us about your how you joined the mile-high club.*** "I went to the toilet, then my boyfriend came a few minutes after." ***We bet he did. BOOM TISH! What was it like?*** "It was very cramped and not as good as I thought it'd be. There were limited positions, but at least I can say I've tried it." ***What's your favourite position when you're on terra firma?*** "Doggy." ***GRRRR!***

"I've joined the mile-high club"

"Riding on top gives me the best orgasm"

MICHELLE // 30

DAINTREE, QLD

"I used to work in Ibiza as a showgirl at a nightclub. My job every Monday night was to get dragged naked on stage by a dwarf in front of 9000 people," says bustalicious Pomgolian Michelle. ***Talk about having a little fun. Did you get a bit nervous?*** "No, it was quite liberating." Shell says those 9000 people would've had one thing on their mind during the show… well, two things: "My boobs; they're huge!" ***We hadn't noticed. How do you like to root a lucky bloke, whether he's normal-sized or otherwise?*** "I like to ride on top; that's how I get the best orgasm." ***Ever indulged in a bit of group fun?*** "No, I'm a good girl." ***So no lezzo fun for ya?*** "Well, yes."

PHOENIX // 28

BARDON, QLD

"I was at a friend's birthday party, filled with porn stars and strippers," brags 28-year-old Phoenix. ***You certainly move in the right circles.*** "It started off tamely enough, with drinks at a bar. As the night went on, we encouraged everyone to come back to our apartment, and my friend instigated an orgy. Eighty per cent girls, 20 per cent guys; perfect. The girls mostly went a bit wild, and the guys watched. We let them join in every now and then." ***How gracious of you.*** "And we made sure the birthday girl got lots of attention." ***We'll definitely be giving you a call on our next birthday, Phoenix.***

DO YOU PREFER A GUY IN A SUIT OR A TRADIE IN WORK GEAR? "Get a guy that can do both? But I would rather a hot girl in an oversized T-shirt eating pizza messily."

"I love my boobs and I have a great arse"

DAN // 32

PERTH, WA

"There isn't anything I really dislike about my body, but I do love my boobs and have a great arse," says English-born 32-year-old Dan. ***Do your awesome boobs see much of the light of the Aussie sun?*** "I am a topless sunbather, the smaller the swimsuit the better, I hate lines. I am literally always naked." ***Surely there are some moments in your life that unfortunately you need to go out in clothes.*** "Yes, but my boobs fall out all of the time. I have been asking parking attendants questions and a boob has casually made an appearance. Ha ha. I have not even noticed until my sister has pointed it out." ***Spoil sport.***

DO YOU PREFER A GUY IN A SUIT OR A TRADIE IN WORK GEAR?

CARA // 24

MANDURAH, WA

Stripping off in public might be daunting to some but to 24-year-old waitress Cara it's as easy as SINKING A FROTHY. "There was a guy canoeing near where we did the shoot." ***Did he get a sneak peek?*** "Yeah, he definitely saw me. We kept shooting, and he slowly rowed past us – it was pretty funny!" ***Do you get STARKERS in public often?*** "Yes, it's lots of fun. I love going for swims naked. Once you've gone for a skinny-dip, you just won't enjoy a normal clothed swim ever again." ***Fine by us Cara, we definitely don't mind. What is it you love about public nudity?*** "I love the riskiness and the adrenalin I get from it. It really gets the blood pumping!" ***You've got our blood pumping now, too.***

DO YOU PREFER A GUY IN A SUIT OR A TRADIE IN WORK GEAR? "A tradie in work gear, of course! Guys in suits are usually massive bores. I want someone I can drink and laugh with. My last two boyfriends were both tradies, so I must like something about them!"
